Aiming to occupy the middle ground between the context-heavy luggage fillers and the context-free thinner volumes, the main USPs of these user-friendly guides are the plentiful 'Insider tips' dotted around each edition, the maps they're packaged with, and the pocket cheering price (GBP5.99 each). Complete with near-magazine style features, they're certainly a less intimidating proposition than some of the big wedges on offer.KurzbeschreibungTravel with Insider Tips to Mallorca, the largest of the Balearic Islands renowned for its beautiful white sand and crystal water beaches.This guide will make getting around easy as you travel and explore using the best maps and insider tips for Mallorca and discover the combination of friendly locals, great weather and beautiful location that make it a tourists dream.
