Von Juliet Jamieson, Claire Jamieson : **Managing Asperger Syndrome at College and University: A Resource for Students, Tutors and Support Services** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Managing Asperger Syndrome at College and University: A Resource for Students, Tutors and Support Services:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gutes Buch, nur begrenzt auf deutsche Verhältnisse übertragbar Von Jasper Das Buch ist an sich vom Inhalt und Umfang völlig

in Ordnung. Leider ist es nur begrenzt auf deutsche Verhältnisse übertragbar. Deshalb hier 4 Sterne. Für Autisten an deutschen Unis kann ich daher das Buch nur begrenzt empfehlen. Leider gibt es auch kein vergleichbares Buch für Autisten an deutschen Unis.

Kurzbeschreibung Meeting the demands of student life can be tough, especially for students with Asperger Syndrome. This book is full of practical suggestions on how to make the post-16 educational experience a good one. Advice is based upon sound knowledge of theory and practice and includes: taking steps towards selecting the right course at the right institution; coping strategies to use in academic and social situations; advice to help students who are living away from home; a CD containing time-saving resources; how other students, tutors and disability services can help; useful references and addresses showing where to go next. This is an important text for students with Asperger Syndrome, their support staff and personal tutors in institutes of Higher Education, student counsellors, parents and Connexions advisors.
