through it, it would appear to be the ideal present for a ManU mad offspring!!Manchester United: The Complete Story
of the World's Greatest Football Club

KurzbeschreibungManchester United:The Biography will do for the football team what Peter Ackroyd did for London
in his huge biog of the same name. The book follows the club's extraordinary journey from its birth in the railway
works of Newton Heath to its current status as Premier League and European champions. The key stages in United's
history will, of course, be covered: the Munich Air Crash of 1958, which saw the best part of an entire team (the
Busby Babes) being killed; becoming the first English team to win the European Cup in 1968 (with Bobby Charlton
and George Best); the dominance of the club in the Premiership; the controversial sale to American tycoon Malcolm
Glazer, right up to Moscow 2008. But by drawing on the recollections of everyone from players and managers to fans
and backroom staff, Jim has unearthed enough new material to interest die-hard fans and casual supporters alike. A
fascinating history of a remarkable football club, by one of Britain's best-known and most popular sports
writers.PressestimmenA rich and thoroughly enjoyable tapestry Sunday Business Post All encompassing yet readable
Irish Times **** London Metro A must read for anyone who takes football seriously RTE GuideWerbetext* The story
of the biggest football club in the world.* Covers everything from the birth of the club through to the 2008 Champions'
League final in Moscow.
