Challenging and thought-provokingVon tillmannoliverThis Book is great. Read it prayerfully, read it alongside with the Bible and see things differently. How God's love can impact a life, a city, a nation, the whole world. Bill Johnson

walks by faith, not by sight - and invites everyone to join him. Let's go for it!

Kurzbeschreibung In 2010 Bill Johnson, the senior pastor of Bethel Church in Redding, California, visited Holy Trinity Brompton, the London home of the Alpha Course. This book contains teaching from five talks he gave there and includes some rarely heard stories and testimonies, along with classic teaching on encountering God, how to practically host the Holy Spirit, what the normal christian life can look like and how every impossibility must bow to the name of Jesus.
