Von Ormonde Plater : Many Servants: An Introduction to Deacons before purchasing it in order to gage whether or not it would be worth my time, and all praised Many Servants: An Introduction to Deacons:

KurzbeschreibungIn this newly updated and revised introduction to the permanent diaconate, Plater includes a history of deacons in the early church, a survey of deacons from the Reformation to the present, stories of modern diaconal ministries, including first-hand accounts, and a discussion of the formation, training, and deployment of deacons. This book is a basic, essential text for discernment committees and commissions on ministry, and a comprehensive look at a vital ministry in the church today.
