Maranatha - the Lord is Coming! Von Buchfreund This devotional volume, the eleventh Spirit of Prophecy devotional book, with its accent on fulfilled and fulfilling prophecies, is timely. The material is straightforward, frank, and stirring. The message should bring an awakening of the truest kind, stirring the reader to awareness concerning the Second-Advent theme so dear to all of our hearts, and preparation for that event. It is our prayer that many will be sealed with the seal of the living God and enabled to pass through the time of trouble and meet the coming King in

peace as a result of applying these readings to their lives. Maranatha - the Lord is Coming!
