Von Ein Kunde A 2 year vacation with 3 sisters and your parents. Maybe some people would like to get away from everything for a while. Mary did, too, until it all becomes too much. Mary was sick of it. Mary, being the oldest, took a lot of responsibility over her younger sisters. Almost enough to have them call

her mom. Their real mom being pregnant doesn't help, either. Finally settled on the west coast, Mary hopes things will get better, but they only get worse. Mom starts retreating back to childhood and Dad is trying his hardest to believe his own lies. Mary is aware something has to be done. She sees everything falling apart; what is there to do? The RV breaks down, which only makes Dad mad and turns him to drinking. Now, stuck there, no place to turn, no one to turn to, Mary finds a solution. Definitely not an easy one, but a permanent one. Mary Wolf never wanted to hurt anyone, she just wanted a home. This book is easy to relate to. You realize you don't always see how good you have it, until you see someone who has it worse. It's very easy to read through the book without putting it down once. So, don't have anything to do this afternoon? Pick up *Mary Wolf* by Cynthia D. Grant, and listen to her story. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gut, verständlich, fesselnd! Von Ein Kunde Für ein Buch in englischer Sprache ist es unheimlich leicht verständlich und auch für Schüler einfach zu lesen! Es beschreibt die Geschichte eines kleinen Mädchens, das unter dem Stolz ihres Vaters und der damit verbundenen Armut leidet! Ich fand es sehr interessant auch mal die Kehrseite der amerikanischen Regierungsform zu sehen! Man kann sich kaum vorstellen, dass es Menschen gibt, denen solch ein Schicksal wiederfährt!!! Also alles in allem ein leicht verständliches, sehr spannend geschriebenes Buch, dessen Story den Leser nicht mehr loslässt!!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. This book is the best. Von Ein Kunde Mary Wolfe has the perfect life with the perfect family until they lose everything and start to travel around the country in their old RV. Her father starts to drink and becomes abusive, and her mother acts like a child, and refuses to grow up. Eventually Mary becomes the parent to her parents. Then Mary's crazy life spins out of control after one fatal day.

Kurzbeschreibung Permanently on the road, a teenage girl struggles to keep her family together Sixteen-year-old Mary Wolf can remember when her family lived in a house, when her father was a successful insurance executive who would jump through sprinklers with his briefcase just to make her laugh. But he never got back on his feet after his business collapsed, and he had to move the whole Wolf family into a giant RV, taking them on the road for a permanent vacation. Now he drives Mary, her pregnant mother, and her three little sisters from city to city, where they stay at campgrounds and parks with other homeless people, never remaining in one place for long. Mary's mother has turned to petty theft to make ends meet and her dad loses his temper too much to hold down a job, but both insist that everything is going to be fine. Watching her parents increasingly deny the reality of their situation, Mary can feel it: Her whole family is coming to the end of a road.
