Von Darrell Young : Mastering the Nikon D7000 before purchasing it in order to gage whether or not it would be worth my time, and all praised Mastering the Nikon D7000:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
begeistertVon AficionadoI bought the book "Mastering the Nikon D7000" because I wanted to buy this camera and wanted to be informed about its abilities. I was blown away by the informations given to me by this book. I could even

use many of its advices and recommendations for my D300. Specially the recommendations were a great help for me.

Kurzbeschreibung Mastering the Nikon D7000 by Darrell Young provides a wealth of experience-based information and insights for owners of the new D7000 camera. Darrell is determined to help the user navigate past the confusion factor that often comes with complex and powerful professional camera equipment. The book explores the features and capabilities of the camera in a way that far surpasses the users manual. It guides readers through the camera features with step-by-step setting adjustments; color illustrations; and detailed how, when, and why explanations for each option. Every button, dial, switch, and menu configuration setting is explored in a user-friendly manner, with suggestions for setup according to various shooting styles. Darrell's friendly and informative writing style allows readers to easily follow directions, while feeling as if a friend dropped in to share his knowledge. The learning experience for new D7000 users goes beyond just the camera itself and covers basic photography technique.

ber den Autor und weitere Mitwirkende Darrell Young (DigitalDarrell) is an information technology engineer by trade. He's been an avid photographer since 1968 when his mother gave him a Brownie Hawkeye camera. Darrell has used Nikon cameras and Nikkor lenses since 1980. He has an incurable case of Nikon Acquisition Syndrom (NAS) and delights in working with Nikon's newest digital cameras. Living near Great Smoky Mountains National Park has given him a real concern for, and interest in, nature photography. He loves to write, as you can see in the Resources area of the Nikonians.org community. He joined the community in 2000 and his literary contributions led to an invitation to become a Founding Member of the Nikonians Writers Guild.
