Von W. R. Tymms, M. D. Wyatt : Masterpieces of Illuminated Letters and Borders (Dover Pictorial Archive) before purchasing it in order to gage whether or not it would be worth my time, and all praised Masterpieces of Illuminated Letters and Borders (Dover Pictorial Archive):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Slightly disappointing. Von anneI had expected it too be slightly different and no doubt for others this wont be disappointment, but I had expected a bit more detail as to the background and not just a collection of pictures

Kurzbeschreibung More than 350 decorative designs in this impressive collection, including 256 letters, display the glories of extant medieval manuscripts. Exceptionally rare letters and borders that once enhanced medieval bibles and other rare manuscripts are ornamented with exquisite florals, gem-like geometrics, curvilinear motifs interwoven with religious figures, and superb embellishments. Comprising a practical archive of usable lettering for artists and craftworkers alike, this impressive collection also provides medievalists with a wonderful glimpse of the ancient art of manuscript illumination.
