Von Walter A. Freeman : MAXnotes for William Golding's Lord of the Flies (MAXnotes) (MAXnotes Literature Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised MAXnotes for William Golding's Lord of the Flies (MAXnotes) (MAXnotes Literature Guides):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An excellent book for anyone from "littluns" to "bigguns"...Von Ein KundeMy English class has just finished reading Lord of the Flies, and the way Golding uses symbolism is amazing! EVERYTHING in this book is a symbol! Golding can see right into mans' evil and destructive nature. He shows us how destructive we can be by setting forests on fire, pushing boulders off cliffs, and childrens' games of throwing sand and rocks at each other. I enjoyed this book thoroughly and definitely recommend it for anyone. Read it! Golding's perspective of us humans is very thought-provoking. By the way...this book does not take place during WW2. Have you ever heard of an ejectable passenger tube on an airplane? No. He wrote it to be some time in the future--anytime actually. But time is not important. If it were a specific time it may not apply to us now in the present, but it does. It can apply to anyone, and that's how he wanted it to be.0 von 0 Kunden fanden die folgende Rezension hilfreich. It was amazing!Von Ein KundeIf William Golding was alive today and I had the opportunity of meeting him, I would congratulate him on his amazing novel. The use of symbolism was so extremely explicit and perfectly written, it really made me think about society and where we would be without it. It was a novel which I have read over and over again and I will certainly never forget it as it showed me the origins of mankind and taught me to never, ever take anything for granted. Read and enjoy!0 von 0 Kunden fanden die folgende Rezension hilfreich. It was great!Von Lizett (jaime@netropolis.net)"Lord of the Flies" is a wonderful book. We had to read it in english class. It has so many parallels to the real world, that I can't even name them all. It is definitely a creepy book that makes you question whether man is truly innocent or evil at birth. I wholeheartedly reccomend this book, although there are some points where the author tends to linger on one unimportant subject for a long period of time.

KurzbeschreibungREA's MAXnotes for William Golding's Lord of the FliesMAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions.MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers.Pressestimmen"This is the type of novel that is open to interpretation and students will gain a better understanding from reading all of the discussion. Doctorow is quoted in several chapters. Students looking for criticism and analysis of literary works will find it easy to use this title rather than searching endlessly for the journals in which these articles may have originally appeared. A valuable resource for literature collections."KurzbeschreibungREA's MAXnotes for William Golding's Lord of the FliesMAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion.
