Von William Holmes McGuffey : McGuffey's Second Eclectic Reader (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised McGuffey's Second Eclectic Reader (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not just reading lessons! Von Ein Kunde The McGuffey's Revised Second and Third Eclectic Readers combine a number of lessons into one. They can be used for reading comprehension or as copybooks for improving handwriting skills. The numerous poems can be used to improve memory skills. Furthermore, many of the lessons are focused on nature

subjects such as birds, insects, farm animals, etc., and will supplement a natural history text for teaching early scientific observation. Most importantly, all the lessons are moral and help to preserve childhood innocence, something that is sorely needed in today's world. Filled with beautiful illustrations, these hardcover textbooks are an outstanding value.
