Great Kenya Kids bookVon Ein KundeIf you have been to Kenya you will love the way the artist captures the true essence of much of it. My son, two, loves the pictures and to hear Swahili instead of english (although it is written in both)

KurzbeschreibungThis series offers a special view of life of Kenya as seen through the occupations of its people. In Kiswahili and English, this bilingual series helps children build literacy skills and awareness of other cultures, languages and how people earn a living.KurzbeschreibungThis series offers a special view of life of Kenya as seen through the occupations of its people.
