Von Ann M. Martin : Me and Katie (the Pest) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Me and Katie (the Pest) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Way to go, Ann M. Martin! Von Ein Kunde Before reading Me and Katie (the pest), I read Stage Fright, which is the book that comes before it. I liked both books a lot, but especially Me and Katie (the Pest). Ann M. Martin kept me interested and the book was very realistic. I know, because I have a sister, too. It reminded me of two of her other books: Ten Kids,

No Pets, and its sequel, Eleven Kids, One Summer. I am nine years old.

Kurzbeschreibung Wendys little sister is good at everything especially being annoying Katie is always good at whatever she tries and everyone adores her. Everyone except Wendy, that is. Just once, ten-year-old Wendy wishes she could outshine her little sister. When she gets a chance to take horseback riding lessons, she plans to prove to her family that she is the best at something. But its not long before Katie decides to steal Wendys thunder by taking riding lessons herself. Soon, the two sisters are in competition again, and this time Wendy is not going to let her sister win. Can the two overcome their rivalry and become friends or is being first more important? This ebook features an illustrated personal history of Ann M. Martin, including rare images from the authors collection.
