**Von Matthew Fox : Meditations with Meister Eckhart (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Meditations with Meister Eckhart (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Excellent and inspiring meditation thoughtsVon Isabel TaylorThis book is small only in size. It is one of the best and most inspiring of guides to meditation. Meister Eckhart lived in the 14th century, yet his writings, especially those

chosen in this book, are amazingly up to date. The beauty of the poetic expression leads the reader to that quiet place of beauty and joy and peace, helping the heart to open and expand, and transcending all to be: 'one with one, one from one, one in one, and externally one in one'. I recommend this book to all spiritual seekers, no matter what the level. To all Lovers of Truth and Beauty and Joy.

Kurzbeschreibung Meister Eckhart was a 13th-century mystic, prophet, feminist, declared heretic, and an early advocate of creation-centered spirituality. This tradition affirms humanity's potential to act divinely, and it embraces life--living and dying, growing old and sinning, groaning and celebrating--as the creative energy of God in motion. For Eckhart, to be spiritual is to be awake and alive; creation itself was for him the primary sacrament that begins from the spring of life or the heart. Eckhart's pathway and that of the creation tradition is a simple way. It demands no gurus, no fanciful methods, no protracted exercises or retreats. This is why he called it a wayless way that is available to everyone, and why he points out that the person who has found this way needs no other.

Buchrückseite SPIRITUALITY / MYSTICISM Meister Eckhart was a 13th-century mystic, prophet, feminist, declared heretic, and an early advocate of creation-centered spirituality. This tradition affirms humanity's potential to act divinely, and it embraces life--living and dying, growing old and sinning, groaning and celebrating--as the creative energy of God in motion. For Eckhart, to be spiritual is to be awake and alive; creation itself was for him the primary sacrament that begins from "the spring of life" or the heart. Eckhart's pathway and that of the creation tradition is a simple way. It demands no gurus, no fanciful methods, no protracted exercises or retreats. This is why he called it a "wayless way" that is available to everyone, and why he points out that the person "who has found this way needs no other." Praise for Bear Company's Meditations With series "These quiet presentations of spirituality are remarkable for their immediacy and clarity." --Publishers Weekly
