than the Bible, this is the book to have (imho) Von Ein Kunde spiritually. In some ways, it seems the Author-Priest Richard Beyer writes with divine inspiration. I often find the locution messages and meditations (reflections) pertaining to my everyday life. Beyer's reflections draw from a rich source of material, seemingly infinite, for example, the April 11th passage for example, was the found written by Major Malcolm Boyle in his Bible who was killed in action after the D-day landing and is very moving. Furthermore, knowing some of the area, it is curious, that the March 3rd passage relates to the Virgin Mary in tears delivering a message. This is also, the independence day of Bosnia-Herzegovina itself where Medjugorje is. Many Bible themes, such as to love your neighbor, Saints and even sometimes such topics as jokes are all part of this book. I highly recommend this book. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Reader from NJ Von Ein Kunde I was fortunate enough to purchase this wonderful book over a year ago. It is a part of my daily prayer, and a continual source of inspiration. In September, I started through it for a second time, and I find it even more meaningful. 0 von 0 Kunden fanden die folgende Rezension hilfreich. This book is inspirational and filled with graces Von Pat from Swampscott Medjugorje Day by Day is a truly inspirational book. It was given to me by a non-believer who I work with every day. Each morning I read it, there seems to be a lesson for that day which finds its way into my heart and influences the way I treat others. I believe this book has been a vessel, not only for me to receive grace and gifts from the Holy Spirit. But, it helps me live better as a Christian and, I pray effects those around me in a positive way. I feel my friend has, in return, gained many graces from the book also, without ever having read it.
