After reading, I'ts DEEPENED my Faith in Mary. At the time I was in the middle of reading the book, I was involed in an automobile accident, this book along with my Rosaries were in my briefcase, she pulled me through the ordeal without any

horrendous damage. Her messages should be loud and clear for all who read with an open heart. She TRULY is here for us, and she shows this through the ones whom SHE chooses to appear. I feel, not only does God work in mysterious way, but Mary too. 0 von 0 Kunden fanden die folgende Rezension hilfreich. One of history's greatest role models: do we know her? Von Ein Kunde The secrets of one of history's greatest role models lie between the pages of this book. Do we know Mary's strength? Do we know her courage? Do we know her compassion? Do we know her wisdom? Do we know her love? Who is this woman many call Mother? MEETINGS WITH MARY chronicles for us in exquisite detail the history of Mary, which then reminds us who we might want to be when we look in the mirror. A deep, penetrating book. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Outstanding! Inspirational and life changing! Von Ein Kunde This book opened my perceptions to the reality of the spiritual world all around us. It taught me what the "perfect feminine" is and showed me that there is much about the spiritual world that can enrich every aspect of our present environment. Meetings With Mary is a splendid opportunity to learn, to grow and to rejoice in the goodness of humankind.

Kurzbeschreibung Through the centuries and across the world, the Virgin Mary has appeared to ordinary people of every race and culture, from scholars to illiterates, from the devout to the unbelieving, from young children to the dying. In this exquisite and inspiring volume, Janice T. Connell chronicles authenticated Marian apparitions and messages Mary has brought from God--as mother, comforter, Queen of Angels, and Prophet of the Apocalypse. Drawn from scripture, legend, and never-before-published eyewitness accounts, these are personal stories--the author's own, and her interviews with other visionaries--filled with beauty, wonder, and joy. Meetings with Mary ranges from Elijah's vision of Mary eight hundred years before her birth to the world-famous children of Medjugorje in Bosnia, whose encounters with her began in 1981 and continue daily. Here also are lesser-known, deeply touching encounters with the Mother, from an office worker in Holland to a Japanese nun, from a Jewish banker in Rome to an awestruck crowd of visionaries, few of them Christians or of any other faith, in Egypt. Meetings with Mary asks also: as the millennium draws near, shadowed by disasters, disease, and brutal civil warfare, are Mary's frequent appearances a signal to the faithful? Perhaps she is calling us all to join her now on a voyage toward the eternal shores of peace, joy, and abiding love. . . . "[Connell is] passionate about prayer and sharing her love of Jesus' mother. . . . She has a way of simplifying complex theology."--Rocky Mountain News Kurzbeschreibung Through the centuries and across the world, the Virgin Mary has appeared to ordinary people of every race and culture, from scholars to illiterates, from the devout to the unbelieving, from young children to the dying.
