ExcellentVon FionoWe need more such books about Elder Sophrony; what other people had for experiences with him.

KurzbeschreibungA saintly figure of the last century, a holy figure who transplanted the asceticism of Russia and deep spirituality of Mount Athos monasticism into England, is presented in a personal way inside the pages of this book. The writer opens her heart to us to reveal some of the aspects of the personality of Elder Sophrony of Essex, as she puts it, to shed some light for us on his light-bearing journey from earth to heaven.KurzbeschreibungA saintly figure of the last century, a holy figure who transplanted the asceticism of Russia and deep spirituality of Mount Athos monasticism into England, is presented in a personal way inside the pages of this book.
