GreatVon martinGreat book, best ive read on golf mental, very very impressed. Will eead it over and over!!!! Well done, mart

KurzbeschreibungIn 2008 Terence Cook decided he had had enough of colapsing under pressure. He studied how the brain and mind worked and made a surprising discovery. A 100 year old Method called Conscious Autosuggestion by the French pharmacist, Emil Cou. A Method that is simple to understand and simple to use both on and off the course in order to strengthen the mind for vastly improved golf. Terence Cook, a Senior golfer, has won over 50 tournaments in the last five years, including three Senior Chilean National titles and two tier one Club Championships.The Power of Conscious Autosuggestion describes, in easy to understand terms, the techniques and behaviors that will allow golfers of all levels to play the game with the strongest of minds.KurzbeschreibungIn 2008 Terence Cook decided he had had enough of colapsing under pressure.
