KurzbeschreibungIt's finally here... The definitive book that takes the reader on an insiders journey behind the scenes of what was to become the '80s hair band phenomenon! True, never before told stories of Motley Crue, Guns 'n Roses, Quiet Riot, W.A.S.P., RATT and more. Oh yeah, let's not forget the clubs, the drugs and of course the girls! So break out your Spandex and Aqua-Net and be prepared to go on an adventure! You'll laugh and you'll cry and one thing is for sure; you'll be entertained! Former agent and nightclub owner Michael J. Flaherty booked and befriended some of the top bands of the time including the perennial bad boys of rock, Motley Crue, a young and struggling Guns 'n Roses, W.A.S.P., Quiet Riot, Great White and others. Go back in music history with someone who witnessed the rousing music and out-of-control debauchery of the metal and glam movement along the Sunset Strip. 416
