Von William Pick : Metallicar (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Metallicar (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen

Kurzbeschreibung This book is intended to assist those who are interested in turning a 1967 Impala 4 door hardtop into a Supernatural car (Metallicar). I give my story of building one (Hunter) and then will explain what we have learned in the process. If you are ever planning on building one of these cars this book has the information you will eventually need.
