Von Lisa Campbell : Michael The Complete Story of the King of Pop (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Michael The Complete Story of the King of Pop (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Lisa Campbell is uniqueVon Dr. Karen MoriartyAs the author of Defending A King ~ His Life Legacy about the incomparable Michael Jackson, I eagerly anticipated reading Lisa Campbell's third book about MJ. In 666 pages, she combines her first two books about Michael and then adds an interesting chronological account of his last years and

his legacy. Lisa is unique as an author of MJ biographies now approximating 500 books because she received affirmation in 1993 from MJ himself. He sent her three dozen roses after he read her first book about him. I am impressed! For a man who could have been the ultimate symbol of media bullying and distortion to endorse Lisa's writing about him is a tribute to the courage, integrity, and honesty of her writing. I highly recommend this book to both Michael Jackson fans and others. You will learn about him, understand him better, and perhaps mourn his loss even more after reading this comprehensive, compassionate, and thorough portrayal of the great man, humanitarian, and artist Michael Jackson.

Kurzbeschreibung Michael Jackson: The Complete Story of the King of Pop chronicles the rise and fall and rise again of the greatest entertainer in history. Beginning in the dingy town of Gary, Indiana through the Motown years as lead singer of the Jackson 5 to his meteoric rise to superstardom, each album, single, short film, award, concert tour and performance is presented in greater detail than ever before. The most successful and most awarded artist in history, his Billboard chart activity and record setting feats are all documented with a chance to relive his innovative concert tour performances and groundbreaking TV show appearances, including unveiling the moonwalk on Motown 25 and his performance of Man in the Mirror on the 1988 Grammys. Besides detailing his success as an entertainer, his philanthropic endeavors are explored revealing his other true passion, helping the sick and suffering of the world and the earth itself. Off stage, he faced many trials and tribulations. As his popularity soared, so did his obsession with his appearance and an addiction to painkillers. His nature of being too trusting served to make him vulnerable and people lined up to take advantage of him. Offered is an in depth look at the accusations of child molestation levied against Michael Jackson in 1993 and again ten years later resulting in the Trial of the Century. Campbell follows his steps toward presenting This is It, the events leading to his tragic loss, and the trial and conviction of Dr. Conrad Murray. Captured is the unprecedented global response to his passing and the efforts of his estate trustees to continue the legacy of the one and only King of Pop. **Michael Jackson: The Complete Story of the King of Pop** is Campbell's third book on Jackson.
