Von L. Diane Wolfe : Mike (The Circle of Friends, Book 4) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mike (The Circle of Friends, Book 4) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read Too Von Teens Read Too Mike's just finished college and has managed to stick to his moral values. As a result, he believes that is the reason he has been given a great job at Sandia Labs in New Mexico. When he gets there, he meets Danielle and starts falling head-over-heels for her. His past, however, still haunts him, and he worries that a

mistake he made in high school that led to his ex-girlfriend getting an abortion will affect his new relationship. He also worries that his feelings for his former roommate's wife might affect his ability to form a lasting relationship. Will Mike find the power within to forgive himself for his past mistakes? Will Danielle be understanding when she finds out the truth? A moving, heartwarming story about forgiveness, friendship, and love. Although the plot has a fairly slow pace, the author does a great job of keeping the reader's attention. Her portrayal of the characters and their inner struggles is also well done. Readers who need an uplifting story or who like Christian fiction, clean romances, and books about people finding their inner strengths will all enjoy reading this book. Reviewed by: Kira M

Kurzbeschreibung A prisoner of guilt for so long Mike Taylor is the epitome of stability. His family is proud of his academic and athletic achievements at Georgia Tech, and despite the temptations of college life, he has maintained his moral standards. Yet beneath the peaceful surface, Mike is consumed with guilt, fearing condemnation and rejection. A former girlfriend's abortion and the intense love he feels for his roommate's wife constantly remind Mike of his failures. Unable to forget and full of shame, he refuses to forgive himself. When Danielle enters his life, he realizes he can no longer hide the past. Will she be able to reach him or is Mike past the point of redemption?

Synopsis Past mistakes can never be forgiven. Mike Taylor is the epitome of stability. His family is proud of his academic and athletic achievements at Georgia Tech, and despite the temptations of college life, he has maintained his moral standards. Yet beneath the peaceful surface, Mike is consumed with guilt, fearing condemnation and rejection. A former girlfriend's abortion and the intense love he feels for his roommate's wife constantly remind Mike of his failures. Unable to forget and full of shame, he refuses to forgive himself. When Danielle enters his life, he realizes he can no longer hide the past. Will she be able to reach him in time or is Mike past the point of redemption? "MIKE is an engaging story of friendship, love and overcoming guilt caused by past mistakes. I would recommend this to older teens who may someday have to face such choices themselves." - Susan Eileen Walker, author of 'The Secret of the Dance' "(The) series deals with the real issues facing today's society, including, but not limited to teens and young adults. It's refreshing how the author kept it real, and with no gratuitous sex and unnecessary foul language!" - Darlene Wofford, author of 'Edgewise' "L. Diane Wolfe has reached the top of my list of well-loved authors out there. These books give readers so much more than just a new inner strength as they read how friends struggle through and work towards their dreams." - Linda Butler, avid fan Mike is the fourth in a series of five, following a group of friends as they face different challenges, learning to grow and overcome. Wolfe began writing this series in hopes it would inspire people to achieve their dreams.
