**Von Jim McCann : Mind the Gap Vol. 1: Intimate Strangers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mind the Gap Vol. 1: Intimate Strangers:

KurzbeschreibungCollects MIND THE GAP #1-5 Elle Peterssen is young, wealthy, and beautiful - and there is a reason someone tried to kill her. Only, Elle doesn't remember any of this. MIND THE GAP, the new series by the Eisner Award-winning writer JIM McCANN (Return of the Dapper Men), is a mystery with a paranormal twist. Elle, in a spirit form detached from her comatose body, must not only unravel the mystery of her attacker's identity and motive but her entire life as well. Who can she trust, in both this word and in the gap she exists in that lies between life and death? Filled with twists and turns, Elle's life isn't the only one turned upside down by the attack on her life. Deceit, secrets, and hidden agendas are everywhere in a story where everyone is a suspect, and no one is innocent. USAToday hails it as an "anxiously anticipated modern thriller."KurzbeschreibungCollects MIND THE GAP #1-5 Elle Peterssen is young, wealthy, and beautiful - and there is a reason someone tried to kill her.
