KurzbeschreibungThe idea of this book is to talk about what we go thru mentally as Misfits. When we are trying to

make a difference in the world, we can prevent ourselves because of negative thoughts, unbelief or our circumstance. The idea is to relate it to Dr. Jekyll Mr. Hyde, and keep the theme through out the book. You are your own worst enemy and hardest critic. We have to learn to get ourselves out of our own way s we can allow God to use us the way he wants to. Inside every man there is a battle going on between good and evil Mr. HydeKurzbeschreibungThe idea of this book is to talk about what we go thru mentally as Misfits. Youth Explosion reaches hundreds of kids per week through the teaching of the gospel. Chris 's creativity pours out onto everything he does. His ability to forecast trends allows him to lead and speak to this generation in a way they understand, at the same time elevate them from where they are at: "I want to raise up spiritually healthy mature teenagers so when they are out of high school they will be ready for the world." His calling is to help change people's perception on life so they can see God is freedom and not religion or law. He has no problem communicating clearly to large groups of youth or youth leaders regardless their upbringing; urban, suburban or rural.
