Von walter nate Classic that pretty much doesn't need any introduction. The Story is as old as mankind itself. We define the evil based on our strange and very individual moral standards and then try to wipe it out with doubtful methods which have to be considered evil as well. Nevertheless, a captain and his crew are hunting a whale whom they consider as an evil, devilish creature - The Leviatan. Melville wrote this book after he accompanied whale hunters and stricken a plot which is so twisted and yet so straight if you read between the lines. This book has been an inspiration for many movies and books and allows you, if reading properly, to question your own moral standards. The bottom line question remains: who or what is evil and how should it be treated. People cross lines for the sake of some odd purpose, while sometimes even questioning their own integrity. This what Moby Dick is all about. 6 von 6 Kunden fanden die folgende Rezension hilfreich. Budget Layout Highly Speculative Edition Don't buy! Von Dr. Expat Text is absurdly condensed, breaking every rule for good printing practice and layout. Publisher is making money by producing sub-standard product. Nach dem Auspacken: eine Ecke des Buches ist beschdigt, mehrere Seiten sind gewellt (schlechte Lagerung?) und mehrere Seiten haben kleine bis mittlere Eselsohren. Allgemein sehr dnne Seiten, bedingt durch die Flle an Text aber ntig, oder das Buch wre wesentlich dicker. Zum Inhalt: Super! Sehr ausfhrlich und schn gemacht! Hintergrnde, Biographien, Briefe, Reiseroute und und und! Tolle Ausgabe. Ideal fr das vertiefende Studium. Fazit: auf jeden Fall sein Geld wert. Daumen hoch!

Kurzbeschreibung Moby-Dick; or, The Whale (1851) is a novel by Herman Melville. It is considered an outstanding work of Romanticism and the American Renaissance. Ishmael narrates the monomaniacal quest of Ahab, captain of the whaler Pequod, for revenge on Moby Dick, a white whale which on a previous voyage destroyed Ahab's ship and severed his leg at the knee. Although the novel was a commercial failure and out of print at the time of the author's death in 1891, its reputation as a Great American Novel grew during the twentieth century. This ebook edition comes with a free audiobook download. The audio files are in standard MP3 format. Download the audiobook to your reading device and listen using your favourite audio player app. Enjoy!. de Arguably Herman Melville's greatest work, and hailed as a classic American novel, Moby Dick tells the tale of one man's fatal obsession and his willingness to sacrifice his life and that of his crew to achieve his goal. The story follows the fortunes of Captain Ahab and the culturally and spiritually diverse crew of the Pequod, a 19th century whaling ship. The Pequod is on its last voyage out of New Bedford, Mass, in pursuit of Moby Dick, the great white whale which has been Ahab's obsessional quarry and bitter adversary for many years. Narrated by sole survivor Ishmael, the tale forms a complex fictional fusion, combining a wealth of literary symbolism, hidden meaning and philosophical debate with adventure narrative and a detailed historical account of the 19th century whaling trade. --Emily Lowson.co.uk Arguably Herman Melville's greatest work, and hailed as a classic American novel, Moby Dick tells the tale of one man's fatal obsession and his willingness to sacrifice his life and that of his crew to achieve his goal.
