KurzbeschreibungMany photographers stubbornly stick to a formula they're comfortable with, refusing to go out on a limb - a formula which rarely leads to success. In this book, monte Zucker shows photographers how to produce images that make a statement about the photographer and the subject. When achieving technical excellence becomes

second nature, the photographer is free to emotionally connect with the client to produce an image that brings out the soul and personality of the subject. This goal should be the focus of every session, and Zucker shows readers how. Pressestimmen "This book is certain to improve the quality of your images and that makes it a must-have addition to your personal library." -- "Shutterbug" Kurzbeschreibung Many photographers stubbornly stick to a formula they're comfortable with, refusing to go out on a limb - a formula which rarely leads to success.
