Von Inge Ignatia de Waard : MOOC YourSelf - Set up your own MOOC for Business, Non-Profits, and Informal Communities (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised MOOC YourSelf - Set up your own MOOC for Business, Non-Profits, and Informal Communities (English Edition):

Kurzbeschreibung This MOOC eBook gives a short overview of options on how to set up your own MOOC and how to tailor it to your own needs, tools and target audiences. The challenges and benefits of MOOCs are highlighted and guidelines on how to build an optimal MOOC experience are shared. Online learning best practices' are listed with a focus on MOOC specific learning characteristics, certification options and pedagogies. Taking into account the current learning realities, the book also looks at mobile options and social media tools for learning, specifically how they can be fitted into a MOOC learning environment. To provide a background on MOOCs, the history of MOOCs is covered. The upcoming and existing MOOC platforms and toolkits are also described and linked to. Additionally, the book offers links to DIY options, and existing MOOC opportunities that might offer a solution for what you are looking for. The author has organized mobile MOOCs in the past, and has been researching MOOCs and their learning affordances for the past 3 years.
