Von Caitlin Moran : Moranifesto before purchasing it in order to gage whether or not it would be worth my time, and all praised Moranifesto:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Excited to go throughVon Helpful Advicel'm big fan of Caitlin Moran writing therefore I was very excited to go through an anthology of her political texts, conveniently named Moranifesto.And though with many of these works from her columns I am already familiar, Caitlin Moran once again managed to make me laugh, excite, she made me worry and made me wonder.But for the umpteenth time, Moran shows how intelligent and candid observer she is, with her voice

and pen showing that she is one of us. Caitlin Moran demystifies politics; she speaks about contemporary dilemmas and problems that plague politicians, as well as us - the ordinary people. Thus it seems that the issues usually seen as something incomprehensible and at a higher level of understanding, to become comprehensible and their solutions easier to achieve. If you like Moran this book is certainly worth recommendation, if you have not yet read anything by her - I recommend that you start with this book.

Kurzbeschreibung From the New York Times bestselling author of *How to Be a Woman* and *Moranthology* comes a collection of Caitlin Moran's award-winning London Times columns that takes a clever, hilarious look at celebrities, society, and the wacky world we live in today including three major new pieces exclusive to this book. When Caitlin Moran sat down to choose her favorite pieces for her new book, she realized that they all shared a common theme: the same old problems and the same old ass-hats. Then she thought of the word *Moranifesto*, and she knew what she had to do. Introducing every piece and weaving her writing together into a brilliant, seamless narrative just as she did in *Moranthology*, Caitlin combines the best of her recent columns with lots of new writing unique to this book as she offers a characteristically fun and witty look at the news, celebrity culture, and society. Featuring strong and important pieces on poverty, the media, and class, *Moranifesto* also focuses on how socially engaged we've become as a society. And of course, Caitlin is never afraid to address the big issues, such as Benedict Cumberbatch and duffel coats. Who else but Caitlin Moran, a true modern Renaissance woman, could deal with topics as pressing and diverse as the beauty of musicals, affordable housing, Daft Punk, and why the Internet is like a drunken toddler? Covering everything from Hillary Clinton to UTIs, Caitlin's manifesto is an engaging and mischievous rallying call for our times. **Pressestimmen** "She is one of the most astute social commentators hitting a keyboard today ... guaranteed to brighten up anyone's life" (Independent) "the joy of Moran's writing lies in how she combines thoughtfulness and intelligence with proper belly laughs." (Independent on Sunday) "Spiky, funny and passionate" (Guardian) **Werbetext** A revolutionary collection from the award-winning columnist and bestselling author of *How to Be a Woman* and *How to Build a Girl*
