KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Biographie eines groes Schreiberlings...Von Orisha"An autobiography is [] usually full of all sorts of boring details. This is not an autobiography. I would never write a history of myself []." so beginnt Ronald Dahls Biographie. Eine Biographie, die anders ist, skurril, phantasievoll, unglaublich. Dahl nimmt den Leser mit in seine Kindheit, Schulzeit und Jugend. Er erzht auszugsweise aus seinem Leben: von seinen vielen Geschwistern, seiner ersten OP und Autofahrt, seinen Sommerurlaube, von seiner Internatszeit.Da ich Dahls Bcher liebe, wollte ich unbedingt mehr ber den groen Schreiberling erfahren. Zum Teil bietet dieses Buch einen Einblick in Dahls Lebens, zum Teil auch nicht. Wer eine klassische Biographie erwartet wird sicher enttuscht. Wer einen klassischen Dahl erwartet ist hier goldrichtig.Ein gutes erstes Dahl-Buch, denn hier taucht der Leser in seine Welt ein und man erhlt einen guten ersten

Einblick in seine Phantasie und Gedankenwelt.Fazit: Inspirierend, phantasievoll ... eben typisch Dahl.

KurzbeschreibungThis new rebrand of MORE ABOUT BOY is a favourite book containing a wealth of new photos, facts and writings about Roald Dahl and his childhood, together with the original text and illustrations from his much-loved memoir. With lots of little-known details, this is a must-have for all Dahl fans!Look out for new Roald Dahl apps in the App store and Google Play- including the disgusting TWIT OR MISS! and HOUSE OF TWITS inspired by the revolting Twits.**Pressestimmen**Pages are chock-a-block with photos of young Dahl and his environs, reproductions of relevant regalia; relevant quotes from Dahls books, and, of course, Quentin Blakes wiry, goofy art. "Bulletin of the Center for Childrens Books "Dahl's revealing writing, open and full of wicked humor, is certain to endear the beloved writer known to his family as Boy to a new generation. "Publishers Weekly""Pages are chock-a-block with photos of young Dahl and his environs, reproductions of relevant regalia; relevant quotes from Dahl's books, and, of course, Quentin Blake's wiry, goofy art." --"Bulletin of the Center for Children's Books ""Dahl's revealing writing, open and full of wicked humor, is certain to endear the beloved writer known to his family as "Boy" to a new generation." --"Publishers Weekly" Pages are chock-a-block with photos of young Dahl and his environs, reproductions of relevant regalia; relevant quotes from Dahl's books, and, of course, Quentin Blake's wiry, goofy art.
