**Von Frank Moore : More Coffee Shop Theology: Translating Doctrinal Jargon into Everyday Life (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised More Coffee Shop Theology: Translating Doctrinal Jargon into Everyday Life (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good

approach to a study of Theology Von Ein Kunde I enjoyed the simple approach that Moore used in handling his study. I had just previously studied several theological textbooks. The terminology and frequent use of Greek and Hebrew words made understanding them difficult. I didn't have that problem with Moore's book. It did not, however delve as deeply into theological arguments. If someone has questions about Theology and doesn't want to spend a lot of time with a dictionary this would be a great place to start.

Kurzbeschreibung Frank Moore returns with another helping of theological jargon made simple by bringing tough doctrinal concepts to an understandable level for the average person. Kurzbeschreibung Frank Moore returns with another helping of theological jargon made simple by bringing tough doctrinal concepts to an understandable level for the average person. ber den Autor und weitere Mitwirkende Dr. Frank Moore serves as the general editor for the Church of the Nazarene.
