**Von Matt Goss : More Than You Know** before purchasing it in order to gage whether or not it would be worth my time, and all praised More Than You Know:

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. Lesenswerte Autobiographie, nicht nur fr Fans!Von Ein KundeMatt Goss, Frontman der einstmals erfolgreichsten Teenie-Band BROS. Im Gegensatz zu seinem Zwillingsbruder Luke, der mit dem Buch "I Owe You Nothing" weniger ins Detail ging, lt Matt hier tiefer in sein Leben blicken. Kindheitserinnerungen, die ersten Gehversuche im Music-

Business, der ganze Hype um Bros, der plötzliche und vor allem tiefe Fall ins Nichts und die harten Jahre "danach", all dies hat Matt sehr ausführlich, zum Teil wirklich sehr unterhaltsam und gefühlvoll beschrieben. Enthalten sind außerdem einige bisher unveröffentlichte Kinder- und Jugendbilder, Fotos seiner Familie und Freunde. Dieses Buch bietet einen Einblick ganz tief in die Seele von Matt Goss. Wirklich lesenswert! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Gut gemacht! Von susafine Das Buch ist einförmig geschrieben und es ist auch nachvollziehbar, wie sich die Familie mit ihren Problemen durchkämpfen muss. Ich lese es, weil ich früher Fan von Bros war und mein Englisch verbessern will. Ich habe es noch nicht ganz durchgelesen, aber ich kann es empfehlen, auch für Jugendliche. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Ghhhhhhhh Von Sinitta Wer jetzt erwartet, hier irgendwas anderes zu erfahren, als man zu BROS Zeiten und danach eh in der Presse oder im Internet lesen konnte, wird enttäuscht sein. Das Buch ist wirklich nur was für Bros-Fans. Es werden nochmals die Erfolgstage Revue passieren und dann gibt es ein bisschen was zum jetzigen Stand - aber alles eher oberflächlich und wenig interessant.

**Kurzbeschreibung** Matt Goss recounts his unbelievable life story in emotional detail. From financially deprived but emotionally rich beginnings, Matt sees his fortunes literally turned upside-down, with all the fame, glamour and money he could hope for violently snatched away from him. Matt Goss has been a staple part of British tabloid life for years yet, the general public has had no idea of the astounding life that he has led and still lives behind the headlines and sound-bites. Here, for the first time, he takes them into his confidence and reveals the true extent of his own astounding tale. Matt was brought up in a proudly close but financially frustrated south London family with twin brother Luke and his mother. Fortunes changed rapidly for Matt when, alongside his brother Luke and school friend Craig, he created Bros a band that sold sixteen million records in an intensely chaotic and record-breaking reign over the world's pop charts. By the end of his teens, Matt could boast eleven Top 40 hits, number ones in nineteen countries, a Brit Award and the record for being the youngest band to headline Wembley Stadium. Bros became a by-word for mercurial celebrity extravagance, hysterical fan stories, financial scandal, personal tragedy, tortuous upset and glorious triumph. Yet after those bizarre and insane times, Matt's life became even more tempestuous, crammed with inner fear, personal revelation and unforeseen challenges. He is now back with a vengeance after spells on TV's Hell's Kitchen, finding a new audience through his acclaimed solo music career, which has already included chart-topping soundtracks and further Top 40 hits, plus his appearance in 2013's Strictly Come Dancing Christmas contest. Here he finally tells the true story of his life, revealing a litany of private torment, personal revelations and celebrity anecdotes. This is the account of a man who can truly say that he has experienced the highest of highs and the lowest of lows, to have held the world in his hand and seen it snatched away from him in the blink of an eye, yet has the strength of character and personal insight to continue to claim to be 'truly blessed'.

**Synopsis** Matt Goss is to tell his life story for the first time, from before the Bros years, through the heady days as frontman for the biggest pop band on the planet, to the traumatic times following the band's split and his gritty, inspired return to public prominence. Matt was brought up in a proudly close south London family with twin brother Luke and his mother, in a home frustrated by lack of money and difficult circumstances but all the time with exciting aspirations and grand designs. Fortunes changed rapidly for Matt when, alongside his brother Luke and school friend Craig, he created Bros - a band that sold sixteen million records in an intensely chaotic and record-breaking reign over the world's pop charts. By the end of his teens, Matt could boast eleven Top 40 hits, number ones

in nineteen countries, a Brit Award and the record for being the youngest band to headline Wembley Stadium. Bros became a by-word for mercurial celebrity extravagance, hysterical fan stories, financial scandal, personal tragedy, tortuous upset and glorious triumph. Yet after those bizarre and insane times, Matt's life became even more tempestuous, crammed with inner fear, personal revelation and unforeseen challenges. He is now back with a vengeance after a spell on TV's Hell's Kitchen, finding a new audience through his acclaimed solo music career, which has already included chart-topping soundtracks and further Top 40 hits. Here he will finally tell the true story of his life, promising to reveal a litany of private torment, personal revelations and celebrity anecdotes. Matt Goss has been a staple part of British tabloid life for years - yet, the general public has had no idea of the astounding life that he has led - and still lives - behind the headlines and soundbites. Here, for the first time, he takes them into his confidence and reveals the true extent of his own astounding tale.
