KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Very Good Read! Von Alexander I loved this book, as well as Jeff Blake's previous book, "Traveling on Grace Street". Through anecdotes and parables about life, family, nature, poetry, human rights and inspiring people and ideas, Jeff Blake weaves a profound tapestry about life, love, hope and grace, in words that were like talking with a dear (and wise) friend. This is a book to read in a cozy armchair with a cup of tea, with plenty of time and quiet to reflect, and to feel the impact of his gentle, wise and kind words that are like a healing balm on the soul. I definitely recommend this book, and will surely read it more than once.

Kurzbeschreibung "Praise for More Travels on Grace Street: Jeff Blake strikes me as one of the most persistent and discerning seekers after experience, knowledge, beauty, integrity, love, and grace whom I have ever known, and his writings about travel, history, poetry, race relations, family, and faith resonate with all of the qualities that one would expect of a committed lifelong seeker. I have recommended Traveling on Grace Street to many people as Blake's bona fide gift to the world, which he returns to it out of both love and gratitude, and More Travels on Grace Street derives from the same uplifting wellsprings. I recommend it just as heartily as I continue to do his earlier book. Michael Bishop, author of Ancient of Days and Who Made Stevie Crye?, Pine Mountain, Georgia Nobody will ever show you what grace actually looks like better than Jeff Blake, who continues his travels on Grace Street with this excellent volume. He is a genius about grace. The grace of God. The grace that carries us through the rough patches of life. The grace of sacred places. The grace of ordinary life. He is my teacher. Joanna Adams, minister, Presbyterian Church (USA), Atlanta, Georgia I got to know Jeff Blake through his writings and our occasional bird-watching. In fact, I have followed his words for at least ten years. We share a common passion for nature, including Texas wildflowers. I've read with interest of his encounters with poets and writers and other interesting folks. I have observed his journey through various trials, which are common to all of us, and count him as a friend. Jeff's reflections on the meaning of grace interest me and make for good reading. Robert Nunnally, attorney, Allen, Texas Jeff Blake invites and guides on a journey of grace. With courage, vulnerability, and strength, his full and open heart lights the thread that connects. We are held, embraced, enticed into stepping more fully, lovingly, and deeply into and onto our own sacred path. Jeff opens doors as he leads us through a garden of possibility. His words ring with support. We enclose in the intimacy of tenderness as compassion and grace guide knowing and faith. He continues the theme of the grace we experience in all seasons of the journey. He weaves a beautiful tapestry of stories and suggests a thread of grace guides us through the entirety of our lives. He says his great mentors on grace are his nine grandchildren: Adam, AJ, Claire, Elijah, Isaac, Marlie, Nolan, Olivia, and Owen.
