**Von Mark Nixon : Much Loved (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Much Loved (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. ZuckersVon K. DarcyHabe dieses Buch als Weihnachtsgeschenk fr eine Freundin gekauft, die selbst viel fotografiert, und war sehr angetan von der schnen Aufmachung. Das Buch ist ein Hardcover und vielleicht ein bisschen dnnner als andere Photobnde dieser Art, dafr aber ja auch etwas gnstiger. Und die Idee ist einfach schn: rechts das Photo eines zerkushelten Stofftiers und links die Geschichte dazu. Ich finde es toll, vor allem als Geschenk, und wrde es wieder kaufen.1 von 1 Kunden fanden die folgende Rezension hilfreich. Adorable!Von MaiaThe photographs are so emotive and I don't regret buying it. The toys themselves are cute enough, but their personal stories sometimes lend a depth which makes them even more endearing. Sometimes they are just plain cute, but sometimes they are a

mix of sad, hopeful and happy - all at the same time. This is not just an art project, but a wonderful tribute to the power and enduring quality of the humble bear.(Or giraffe / doll / rabbit!)1 von 1 Kunden fanden die folgende Rezension hilfreich. Wer je sein Kuschtier geliebt hatVon Janefindet dieses Buch super. Denn man lernt indirekt Seelenverwandte kennen, den es genauso von ihrer Kindheit bis jetzt ergangen ist. Niemals ohne.Mein liebster Partner muss leider immer zuhause hten, denn ich frchte, dass er mir verloren geht, oder gar auseinander flt.

KurzbeschreibungAward-winning photographer Mark Nixon has created a trove of quirky and nostalgic portraits of teddy bears and other stuffed animals that have been lovingly abused after years of play. Much Loved collects 60 of these images along with their accompanying background tales. An exhibit in the photographer's studio led to a small sensation on the Internet when a few of the pictures circulated unofficially on scores of blogs and on many legitimate news sites. Viewers have been intrigued by the funny, bittersweet images and their ironic juxtaposition of childhood innocence and aged, loving wear and tear. When you see these teddy bears and bunnies with missing noses and undone stuffing, you can't help but think back to childhood and its earliest companions who asked for nothing and gave a lot back.KurzbeschreibungAward-winning photographer Mark Nixon has created a trove of quirky and nostalgic portraits of teddy bears and other stuffed animals that have been lovingly abused after years of play.
