Von Ruth Stiles Gannett : My Father's Dragon before purchasing it in order to gage whether or not it would be worth my time, and all praised My Father's Dragon:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Toller Klassiker.Von PetraEin Klassiker, der nach wie vor sehr gut bei den Kindern ankommt. Wir haben das Buch mehrmals hintereinander nacherzahlt (da der Originaltext auf Englisch ist).0 von 0 Kunden fanden die folgende Rezension hilfreich. Just as fun now as then!Von Ein KundeBefore I could read, my mother must have read this story to me a hundred times (at my request, no insistance)! I loved this book - it's such an imaginative, upbeat, and entertaining

story. I just bought a copy for my great-neices who are 9 and 6 years old. I'm sure they will love all three dragon stories as much as I did (and still do).2 von 2 Kunden fanden die folgende Rezension hilfreich. MyFather's DragonVon Jessica SteeleI reccomend this book for ages 8 and undr, because if your over the age of eight it will be to easy. I still think that it's a funny book, but you'll never learn anything if you read it. My Father's Dragon is about a boy who goes to an island and tries to save a dragon. So I give My Father's Dragon two thumbs up, because it's hilarious.

KurzbeschreibungHardPress Classic Books Series.deMy Father's Dragon--a favorite of young readers since the 1940s and a Newbery honor book--captures the nonsensical logic of childhood in an amusingly deadpan fashion. The story begins when Elmer Elevator (the narrator's father as a boy) runs away with an old alley cat to rescue a flying baby dragon being exploited on a faraway island. With the help of two dozen pink lollipops, rubber bands, chewing gum, and a fine-toothed comb, Elmer disarms the fiercest of beasts on Wild Island. The quirky, comical adventure ends with a heroic denouement: the freeing of the dragon. Abundant black-and-white lithographs by Ruth Chrisman Gannett (the author's stepmother) add an evocative, lighthearted mood to an already enchanting story. Author Ruth Stiles Gannett 's stand-alone sequel, Elmer and the Dragon, and her third volume, The Dragons of Blueland both received starred reviews in School Library Journal and are as fresh and original as her first.
