Spock's sonVon -KundeIch gebe zu, ich habe dieses Buch mit der Absicht bestellt, etwas über den privaten Leonard Nimoy zu erfahren. Das habe ich auch bekommen. Aber als ich dann so las, wollte ich gar nichts mehr von Nimoy sen. wissen, denn Nimoy jr. wurde plötzlich extrem interessant. Er erzählt mit großem Charme von sich und seinen Kindern und gibt dem Leser hin und wieder ein Flashback in seine Kindheit. Wenn er von seiner Beziehung zu seinem Vater spricht, schwingt sowohl Traurigkeit als auch Stolz mit. Das was er zu erzählen hat, haben sicherlich hunderte von anderen Hollywood-Kindern auch zu erzählen, aber er tut, im Gegensatz zu manch anderer Biographie, niemandem weh, mit dem was er sagt.30 Jahre Pot- und Alkoholabhängigkeit haben nicht nur sein Leben zerstört, sondern auch seine Ehe, seiner Karriere als TV-Regisseur und beinahe auch die Beziehung zu seinen Kindern. Auch wenn es an anderer Stelle geschrieben wird, er hat niemals seinen Vater für sein Leben verantwortlich gemacht. Er weiß sehr wohl, dass jeder seines eigenen Glückes Schmied ist.Adam Nimoy ist ein ausgesprochen sympathischer, charmanter und koketter Mann, der seine Kinder liebt und trotz eigener Probleme, immer versucht, die Fehler seines Vaters nicht zu wiederholen. Seine Karriere als Regisseur musste er an den Nagel hängen (vorerst, vielleicht bekommt er nochmal eine Chance sich wieder zu beweisen, falls er das will). Heute arbeitet Adam Nimoy als Lehrer an der NYFA (New York Film Academy) in L.A. und unterrichtet dort zukünftige Schauspieler und Regisseure.

KurzbeschreibungThe funny, sad, and heartwarming memoir by Leonard Nimoy's son Adam Nimoywho bounces back after suffering through severe drug addiction, multiple career changes, and a devastating divorce. Augusten Burroughs meets Don Rickles meets Larry David in this riveting chronicle by the son of Spock that includes a thirty-year battle with drug addiction, three career changes, one divorce, a major mid-life crisis, and countless AA meetings. In this frankly humble and hilarious anti-memoir, Adam Nimoy shares the incredibly wonderful, miserable truth about life as a newly divorced father, a forty-something on the L.A. dating scene, a recovering user, and a former lawyer turned director turned substitute teacher...in search of his true self. And, most importantly, he shares the wonderful, miserable truth about growing up the son of a pop culture icon. Hes been rushed by crazed Star Trek fans at a carnival, propositioned by his fathers leading ladies, promised by his own teenage daughter that she never wants to see him again, and fired by famous television producers for his temper. In a city and amidst an industry where appearing perfect is a way of life, Adam Nimoy doesnt mince words, and My Incredibly Wonderful, Miserable Life is his cautionary, startlingly honest, and very funny tale.Pressestimmen"Mr. Spock's soul-searching son struggles with a classic midlife crisis and emerges from his iconic dad's shadow... a touching, humorous, and in the end wise account of how a Hollywood brat transcended lifelong resentment of his father by learning to accept without blame." -- Kirkus KurzbeschreibungThe funny, sad, and heartwarming memoir by Leonard Nimoy's son Adam Nimoywho bounces back after suffering through severe drug addiction, multiple career changes, and a devastating divorce.
