Von Gen'l George Armstrong Custer : My Life On The Plains (Annotated) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Life On The Plains (Annotated) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A great authentic storyVon Jonathan BateThis really sounds like a non-professional story polished up just enough to make it a good read.The language is simple and straight-forward, so that you can really imagine Custer sitting across the table

from you and recounting his experiences with a full load of truth, with just a hint of bragging leaking through every now and then. This book is a must-read for fans of the wild west, who want to get a fine first-hand snapshot of life at that time.

Kurzbeschreibung*NOTE: From this Public Domain work, the original publication was, scanned, assembled, proofed, with additional historic photographs and text added as appropriate by the editor. Galen C. Dukes, 2011. This memoir by General Custer covers the period from 1867 through 1870. It provides a fascinating look at this highly intelligent and capable officer. The story is captivating in describing both battles and negotiations with the plains Indians. The story itself, is validated by other memoirs of the time. Original artwork and historical photographs pertaining to the story have been added to this Kindle edition.
