KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein sehr schnes BuchVon MaritaIch habe "Hannahs Geschenk" vor Jahren gelesen und war sehr berhrt davon. Durch Zufall habe ich das Folgebuch der Autorin gefunden und auch dieses Buch hat mich sehr bewegt. Sie schreibt hier von ihrem Leben nach Hannahs Tod und ihrer persnlichen Weiter-Entwicklung.Ein sehr schnes, aber auch aufrhrendes Buch, vor allem fr uns Frauen, die wir ein fast schon idealistisches Bild zum Thema Familie vor Augen haben und unseren eigenen Weg darberhinaus fast vergessen. Die Autorin ist einen sehr ehrlichen aber auch fast radikalen Weg gegangen, dafr gebhrt ihr meine Bewunderung. Es gehrt viel Mut dazu.

KurzbeschreibungMaria Housden tells of her own transformation, as a mother, a wife and a woman, as she struggled to cope with the death of her daughter Hannah and make the hardest decision of her life. From the author of the bestselling Hannahs Gift. At the age of 36, instead of enjoying the perfect family life she had imagined as a child, Maria felt judged and found wanting by others. She realised that, no matter how much she still loved her husband and how powerful her bond of love was with her children, she had to change her life radically and make it her own again. So began an emotional and enlightening search for herself. Written in the same moving, lyrical style as Hannahs Gift, the story unfolds in a series of painful, joyful and humorous moments, at times heart-wrenchingly sad, but ultimately uplifting.PressestimmenPraise for Hannah's Gift: 'A heartbreaking and heartwarming tale.' People Magazine 'Will fill you with tears and laughter...a heartwarming and life-enriching read.' Woman's Way 'A gift.' The Express PressestimmenPraise for Hannah's Gift: 'A heartbreaking and heartwarming tale.' People Magazine 'Will fill you with tears and laughter!a heartwarming and life-enriching read.'
