Kurzbeschreibung Breathe. No one will break me. Im strong. Breathe. Just breathe. On the outside, Willow appears to have it all. Shes beautiful, smart, from an influential family, and she dates the most popular guy in school Jaden. But she would walk away from it all in a second. Willow is tormented by lies and suffocating guilt, not the hearts and flowers people believe her life is full of. She carries a dark secret. Plagued by nightmares and pain, the secret dominates her life. If she hadnt walked away. If she had just but she didnt. And now she has to live with her choices. But when someone uncovers her familys past, they use it against her, crushing her spirit little by little. She tells herself she just has to make it to graduation. Then she can leave Middleton, and her secret, far behind. When Brody transfers to Cassidy High, he turns Willows life upside down. He shows her what it feels like to live again, really live. And suddenly, she isnt satisfied with just surviving until graduation. She wants a normal life with Brody and he wants her. But the closer they become, the more it threatens to unravel the secret shes worked so hard to hide. Willow finds true love with Brody. Will she let his love save her, or walk away from him to keep her secret safe?

ber den Autor und weitere Mitwirkende Michelle has been an avid reader since a young child. She began writing for personal enjoyment in college, where she graduated Summa Cum Laude in accounting. Deciding sitting in a cubical all day was cruel and unusual punishment, she decided to do what she really wanted to--share her passion for reading and writing with others. Born and raised in Michigan, Michelle now resides outside Houston, TX with her husband, four children, a 125-pound lap dog, and a very grumpy cockatiel.
