Rev. Graham's books are, as most people know, not only compassionate and thoughtful, but inspirational as well. "Unto The Hills" is no different, but one can explore his Christ-centered, intelligent and comforting devotionals every day in this uplifting daily devotional collection. I for one find that the days I don't check in with the book are not as bright as the mornings where I take 10-15 minutes to read and reflect on Mr. Graham's topic, his words and his final short prayer. Once again, this book proves that, when Mr. Graham finally departs this earth, we all will have lost a truly good man.
