because ...Von Joy Watson... Lynn Wilder tells the very interesting story of how she and her family came out of the LDS faith. What I love especially about this book, is the love that she and her family have for the LDS and that you notice that it'S not a hate-on-mormons-book.As a non-LDS it was very helpful to have a glossary at the back explaining certain terms which only LDS understand. The book is easy to read and doesn't get boring.0 von 0 Kunden fanden die folgende Rezension hilfreich. Coming out of MormonismVon M. E. HolladayThis book was riveting and I found it to be extremely informational as to how the Mormon church thinks and why they believe the things they do. Also how God's Word is the key to revealing Truth!

KurzbeschreibungFrom a rare insider's point of view, Unveiling Grace looks at how Latter-day Saints are 'wooing our country' with their religion, lifestyle, and culture. It is also a gripping story of how an entire family, deeply enmeshed in Mormonism, found their way out and what they can tell others about their lives as faithful
