Von Derek Brown : Up the Rhine and Down the Danube (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Up the Rhine and Down the Danube (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. habe ich mir anders vorgestelltVon julitayVielleicht habe ich mich zu wenig damit beschäftigt, ich bin davon ausgegangen dass ich das Buch meinem Bruder schenken kann. Es war aber mehr eine Reisebericht, ich wei nicht genau wem das so genau interessiert, jeden Tag und praktisch jeder Handgriff.Ich kaufe so auf Verdacht nicht mehr.Landratte0 von 0 Kunden fanden die folgende Rezension hilfreich. Fine for boat buffsVon TiniusFor most others Andrew Eames or

Patrick Leigh Fermor will make for livelier reading. Still: a journey to be envied.

Kurzbeschreibung This is the account of a memorable voyage undertaken by the author and his friend and First Officer, Anto, from the Netherlands, through inland Europe, and out to Istanbul in Turkey, by river. Portraying the Danube as a C road compared with the motorway of the mighty Rhine, the author describes his entertaining, exhilarating and at times plain hairy trip up the Rhine and down the Danube. The trip, which took two and a half years, saw actual travel time of only sixty-seven days...which gives you a pretty accurate idea of how much trouble they ran into. As a whole the trip saw them travel 3,750 kilometres, during which time they went through ninety-four locks. They took in Holland, Germany, Austria, Slovakia, Hungary, Yugoslavia, Bulgaria and Romania before eventually ending up at their final destination, Istanbul, in Turkey. On their travels they had to contend with gales, fog and rain, strict and bribe-hungry officials, barges that dwarfed the tiny Dutch cruiser, not to mention the strong currents, high waves and massive locks along the way. Arriving in Istanbul in one piece (despite a smoking engine), Derek Brown completed the voyage of a lifetime. You won't want to miss this.
