Von Usain Bolt : Usain Bolt: 9.58 before purchasing it in order to gage whether or not it would be worth my time, and all praised Usain Bolt: 9.58:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. BOLT ganz PrivatVon Maren HoffmannDieses Buch ist seine Biografie ber den Sport selbst und sich. Er beschreibt den Lebenswandel von einem Hobby-Sprinter zur einer richtigen Legende. Usain Bolt fngt da an, wo viele Fragen stellen (war er schon immer ein guter Sprinter?,ect.)Jedenfalls werdern in diesem Buch alle bisher offenen Fragen beantwortet. Dieses Buch ist zwar in Englisch geschrieben, aber immerhin kommt die EMOTION und sein Selbstbewusstsein somit besser zur Geltung. Er erzht ber seine Familie, Ereignisse die in seinem Leben passiert sind und weiteres. Auch hat er ein Geheimnis aufgedeckt, welches ich sehr traurig fand, immerhin ist er einer der besten im Sprint. Usain Bolt hat somit eine klassische Biografie ber sich geschrieben, welches mit sehr schnen Bildern und Zitaten hinterlegt wurde. Diese zeigen auch sein Wohnort, Familie und Freunde sprich die wichtigsten Personen in seinem Leben.Fazit: Ich empfehle dieses Buch, diese Biografie an alle, die Usain Bolt genauso respektieren und lieben

fr seine Arbeit wie ich. Auch denen die mehr ber einen der besten der Welt erfahren mchten ist dieses Buch geeignet. Ebenso, wenn man zum Beispiel seine Facharbeit wie ich ber ihn schreibt, es steht wirklich alles ber ihn dort geschrieben. Und eins ist gesagt LASST EUCH NICHT VOM ENGLISCH ABSCHRECKEN!

KurzbeschreibungEight days three gold medals three world records one amazing reputation firmly established. Usain Bolt's life and the world of sport would never be quite the same again.16 August 2008 Beijing, China the Bird's Nest stadium 91,000 spectators and an unimaginably huge global television audience the final of the men's 100 metres at the Games of the XXIX Olympiad.The crack of the starter's pistol triggers thousands of camera flash bulbs and precisely 9.69 seconds later a young Jamaican streaks across the finishing line to claim the gold medal and his destiny.Four days later Bolt claims the 200 metres gold, setting a new world record of 19.30 into the bargain, the night before his 22nd birthday. Then on 22nd August he leads the Jamaican team to more glory in the 4 x 100 metres relay final, in yet another world record time.Since those heady days of the Beijing Olympics in August 2008, Usain Bolt has lowered both the 100 metres and 200 metres world records once again to a barely believable 9.58 and 19.19 seconds respectively.At a stroke the Jamaican has become the greatest sports star in the world.9.58 is Usain Bolt's story so far, in his own words.It's about a skinny kid from the parish of Trelawny, where they harvest the best yams in the world. It's about growing up playing cricket and football in the warm Jamaican sun, then discovering that he could run fast, very fast. It's about family, friends and the laid-back Jamaican culture. It's about Auntie Lillian's pork and dumplings and Dad's grocery store in the sleepy village of Sherwood Content. It's about what makes Bolt tick, where he gets his motivation and where he takes his inspiration. It's about the highs and the lows, the dedication and sacrifices required to get to the top. It's about fast food, partying, dancehall music, fast cars and that lightning bolt pose. It's about radiating sport's biggest smile. This is the story of the fastest man on the planet.KurzbeschreibungEight days three gold medals three world records one amazing reputation firmly established.
