Von Anna Civardi : Usborne First Experiences: Going to the Doctor: For tablet devices before purchasing it in order to gage whether or not it would be worth my time, and all praised Usborne First Experiences: Going to the Doctor: For tablet devices:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. simple but entertainingVon Sylvia RubinsztainThis book is good for 2 to 3 year olds. The illustrations resemble real life. The children in my class enjoyed it.

KurzbeschreibungWith gently humorous illustrations this delightful book shows young children what happens on a visit to the doctor. Stephen Cartwrights illustrations are full of details to look at and talk about and there's a little yellow duck to find on every page. This is a highly illustrated ebook that can only be read on the Kindle Fire or other tablet.KurzbeschreibungWith gently humorous illustrations this delightful book shows young children what happens on a visit to the doctor. Stephen Cartwrights illustrations are full of details to look at and talk about and there's a little yellow duck to find on every page. This is a highly illustrated ebook that can only be read on the Kindle Fire or other tablet.Synopsis This series helps young children, in a friendly and amusing way, to understand situations they may find themselves in for the first time. Ages 2+.
