After just a few days with this small book, I learned more colloquialisms than I had in 3 years of Japanese class! This is a great book to show the beginner the intricacies of the spoken Japanese language.

KurzbeschreibungSo you think you learned everything in Japanese class that you needed to know? Guess again. Chances are, your teachers only covered the G-rated side of the language. What about the rest of the vocabulary and phrases you need for this R-rated world? That's where Using Japanese Slang comes in. From college campuses to back-street bars, this book is a vital resource for understanding the phrases you can't learn from your Japanese friends because they'll just smile and say you're better off not knowing anyway. Using Japanese Slang brings you the entertaining and colorful Japanese language as it's used in the real world, offering fascinating etymological explanations as well. It will give you the power to express the thoughts you really want to convey, and deliver them like a native speaker.
