A Great Gift Von Ein Kunde This is an easy, easy-to-read book about mice delivering valentines. Only one sentence on each page makes it a pleasant reading experience for the child. It's a great Valentine's gift for children.

Kurzbeschreibung "Skip! Hop! Zip! Nip!" The sprightly characters from "Halloween Mice!" frolic across a wintry landscape to deliver valentines to all their woodland friends. Lively rhymed text filled with sounds that are fun to say aloud, and a simple mystery -- what happened to the littlest mouse? -- that is happily solved, make this a perfect book to share with a very young audience.
