Fragwürdige bersetzung Von kirsche402 Natrlich ist es schwierig englische Reime ins Deutsche zu bersetzen. Aber diese bersetzung berstrapaziert den Text doch ziemlich stark. Zumindest fand ich die bersetzung weitgehend sehr unglcklich. 0 von 1 Kunden fanden die folgende Rezension hilfreich. A rhyme Von Janine ZAs one of Shakespeares first poems, it is totally powerful and strong. after some research I found out that there were many more editions of the

ryme as I knew before. William Shakespeare dedicated it to a man called Henry Wriothesley, Earl of Southampton and Baron of Tichfield and signed it with "Your honour's in all duty, William Shakespeare. You can find that letter before the poem started. What is it about? Well, we all know "Adonis", like "He looked like an Adonis" or kind of this. Venus is also really familiar for many of us. Venus was sick of love. She was so mad about him. Kissed him all over but he didn't feel the same ... The Goddess of Love spoke a curse, after she lost him forever. "Fair flowers that are not gather'd in their prime Rot and consume themselves in little time." "Love is a spirit all compact of fire, not gross to sink, but light, and will aspire." 0 von 1 Kunden fanden die folgende Rezension hilfreich. Kurzweilige Unterhaltung Von Vroni Ich habe mich für diese schöne Dichtung von Shakespeare interessiert, weil mich griechische Mythologie fasziniert. Hatte allerdings keine zweisprachige Ausgabe gebraucht, aber einsprachig gibt es sie wohl nicht.

He is often called England's national poet and the "Bard of Avon" (or simply "The Bard"). His surviving works consist of 38 plays, 154 sonnets, two long narrative poems, and several other poems. His plays have been translated into every major living language and are performed more often than those of any other playwright. Between 1585 and 1592 he began a successful career in London as an actor, writer, and part owner of the playing company the Lord Chamberlain's Men, later known as the King's Men. He produced most of his known work between 1590 and 1613. His early plays were mainly comedies and histories, genres he raised to the peak of sophistication and artistry by the end of the sixteenth century. Next he wrote mainly tragedies until about 1608, producing plays, such as Hamlet, King Lear, and Macbeth, considered some of the finest in the English language. In his last phase, he wrote tragicomedies and collaborated with other playwrights.
