**Von Ben Jonson : Volpone; Or, the Fox (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Volpone; Or, the Fox (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Each version and edition reveals new facetsVon BernieI came upon this play and Ben Jonson by the back door. I was watching a movie titled "The Honey Pot" with Rex Harrison. His character Cecil Fox after observing this play used the outline for his own purposes. So naturally I have to read the play to see what the movie is mimicking.I have several

copies of "Valpone" (the fox) to compare information on Ben. This is a review of the "New Mermaids Series" I have several of their series. They give you all the background information and any annotation needed. They make the information interesting enough that you feel that Ben Jonson is in the room with you. I am sure some people would not want to be in the same room. I was surprised to find that William Shakespeare acted in some of Ben's plays. The play is well written and has many levels to it. If it did not have so many footnotes I would be in trouble. It reads like an English play yet has parts that would make Stephen King blush. 0 von 0 Kunden fanden die folgende Rezension hilfreich. There are many editions of Volpone; or, The Fox. This one is worth the price if you would like to enrich your vocabulary, whether for self-improvement or for preparation in advance of entrance examinations. Each page is annotated with a mini-thesaurus of uncommon words highlighted in the text. Not only will you experience a great classic, but learn the richness of the English language with synonyms and antonyms at the bottom of each page.
