Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A New Look at the Passion and Death of Jesus Christ Von Barbara L. This book combines the beautiful drawings of Sr. Helen David with the meditations of Henri Nouwen to present a look at the sufferings of Jesus through the experience of human suffering in the world today. From Central America to Katmandu, the human experience is united to the

suffering of Jesus Christ for all people of the world, and to the joy of His Resurrection. This is a truly new look at a traditional devotion, and an invitation to the Christians of today to "Walk With Jesus".
