**Von Paddy Dillon, June Parker : Walking in Mallorca: Classic Mountain Walks in Mallorca (Cicerone Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Walking in Mallorca: Classic Mountain Walks in Mallorca (Cicerone Guides):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Super WanderfhrerVon Thomas FergeEine Unmenge an verschiedenen Touren, sehr gut aufbereitet, akurate

Wegbeschreibungen, nicht zuletzt weil erst krzlich komplett bearbeitet und auf den neuesten Stand gebracht. Ich hatte nirgendwo Probleme die beschriebenen Wege zu finden, auch nicht im weglosen Gelnde oder auf Steigspuren. Schwierigkeitsbewertungen sind m.E. nach ok und ehrlich. Pluspunkt v.a. noch der geniale Vorschlag einer mehrtgigen Tour ber die Tramuntana, die sich entlang einzelner beschriebener Wanderrouten hlt. Wer auf Mallorca auch mal abseits der ausgetretenen Pfade wandern mchte ist mit diesem Buch super beraten. Volle Punktzahl! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent book Von Ana Many hiking routes to chose from, with clear descriptions and a good rating on the route difficulty. The first part of the book has interesting information on flora, fauna and history of Mallorca.

Kurzbeschreibung A new and fully updated edition of the most comprehensive walking guide to Mallorca, in the Balearic islands off the eastern coast of Spain in the Mediterranean, with 80 routes now illustrated with new mapping and colour pictures. This book will entice walkers well off the beaten track, enabling them to explore the island's diverse terrain. Rugged mountain walks contrast with remote valleys, while waymarked trails give way to long-forgotten mule tracks and hidden mountain passes. Some walks run close to breathtaking cliff coastlines, while others pass through sleepy villages where welcome refreshment can be obtained. A full introduction gives advice on walking on Mallorca and details facilities around the island. New mapping reflects the reclassification of Mallorca's road numbering system. Language notes in native Catalan and Castilian Spanish enable visitors to make the most of their visit. Kurzbeschreibung A new and fully updated edition of the most comprehensive walking guide to Mallorca, in the Balearic islands off the eastern coast of Spain in the Mediterranean, with 80 routes now illustrated with new mapping and colour pictures. This book will entice walkers well off the beaten track, enabling them to explore the island's diverse terrain. A full introduction gives advice on walking on Mallorca and details facilities around the island. New mapping reflects the reclassification of Mallorca's road numbering system. Language notes in native Catalan and Castilian Spanish enable visitors to make the most of their visit. Synopsis "Walking in Mallorca" quickly established itself as the most comprehensive guidebook to the island, with particular emphasis on the rugged Serra de Tramuntana. June Parker's routes have been walked afresh, carefully checked and amended where necessary, and are now presented with new mapping and plenty of colour pictures. This book will entice walkers well off the beaten track, enabling them to explore the most diverse terrain around the island. Rugged mountain walks contrast with remote valleys, while waymarked trails give way to long-forgotten mule tracks and hidden mountain passes. Some walks run close to breathtaking cliff coastlines, while others pass through sleepy villages where welcome refreshment can be obtained. Birdwatchers, geologists and historians will find abundant interest throughout Mallorca, and a full introduction explains about facilities around the island. Language notes are given in native Catalan and Castilian Spanish, enabling visitors to pass the time of day with local people and make the most of their visit to the island.
