Von Hans Fritschi : Wanderlust in Gay Asia before purchasing it in order to gage whether or not it would be worth my time, and all praised Wanderlust in Gay Asia:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. UnterhaltsamVon FlorianIch habe mich gut unterhalten, das Buch ist lustig und kurzweilig. Ich habe Suzy Size, die "Heldin", gerne auf ihren Abenteuern in Asien begleitet und habe auch das eine oder andere ber Land und Leute gelernt. Natrlich ist dies kein Reisefhrer oder ein klassischer Gay Guide. Das Englisch ist gut verstndlich, man braucht

keine ausgezeichneten Sprachkenntnisse.

Kurzbeschreibung About the book: Celebrated gay blogger Hans Fritschi has travelled extensively around Asia and his site is one of the leading online gay guides. In this ground-breaking book, he shares with readers his experiences of gay life in Asia. Through the eyes of his flamboyant heroine Suzy Size who is based in Thailand, Hans describes the exotic encounters and erotic escapades of a modern gay traveller in Asia. Suzy Size chases after money boys and is herself chased by sex hungry young men who go after older Western men. Or is it just their money? Suzy has many strange, absurd and hilarious encounters all over Asia. While not a gay guide, Wanderlust makes a good and entertaining read, covering everything from pubs and nightlife to getting picked up. About the Author Swiss-born author Hans Fritschi studied German and English Literature at university and worked for seven years as a journalist with a Zurich daily. In 1991 he relocated to Thailand where he became a freelance journalist and editor. He was also co-owner of a small publishing house and founded several magazines, including Thailand's first gay magazine. Since selling his business, he has travelled across Asia from his home outside Pattaya to explore the region's gay scene.
